## STUDENT USE OF MAIN/STUDENT SERVICES OFFICE

The Student Services office is designed to serve the students on school business. It is open to students from 8:45 A.M. to 3:45 P.M. each school day. To avoid problems, the following procedures have been established:

### Office Contact

- Student will report quickly to the office with a pass from a staff member.
- Student will identify himself/herself to office personnel and state his/her business.
- Student will sit quietly until appropriate personnel are available.

**NOTE:** Students leaving the building for illness reasons must make their **initial call home through the Main Office not through a personal cell phone or classroom phones.**

### Phone Usage - Student Services

- Main Office phones will be used for illness or emergencies only.
- All calls must be approved by the secretaries in the Main Office.
- Emergency illness calls will be made only after 8:55 A.M.

**Note:** An emergency illness means that the student is absolutely too ill to continue the school day.

## **DRESS CODE:**

The Board of Education recognizes that each student's mode of dress and grooming is a manifestation of personal style and individual preference. The Board will not interfere with the right of students and their parents to make decisions regarding their appearance, except when their choices interfere with the educational program of the schools. Each principal, in consultation with his/her staff, shall develop a dress code which complies with Board of Education Policy 5511.

With this in mind, we believe it is necessary to place guidelines on a student's hair style and his/her manner of dress if those present a hazard to the student's health and safety, cause an interference with the educational process or create classroom or school disruption. These guidelines are important not only to the individual student, but also to those with whom s/he shares school property.

The administration will determine proper application of the dress code. In making this determination, the administration may decide that certain types of clothing are not appropriate. Administration discretion will be exercised in working with individual situations as this may affect the educational environment.

Dress and grooming are factors in a positive educational environment. Habits of personal cleanliness and grooming will be practiced by staff and students. In order to establish and maintain this environment without disrupting the learning process, the following administrative guidelines have been developed:

- Clothing should be in good taste and sensible in size, length, and style.
- Shorts and skirts will be -at a minimum- at least fingertip length (when standing with shoulders relaxed, your shorts or skirt will come down to the tip of your fingers)

- o Any clothing that shows undergarments will be deemed to not be in good taste.
  - o Pants must be worn at the waist.
  - o Leggings and yoga pants must be worn with a shirt that also meets requirements of length mentioned above. If you can see through the pants, it is deemed to not be in good taste.
  - o If there are holes in the jeans and skin is visible, the same rule applies to length requirements listed above.
- The following dress is not considered appropriate for school: strapless or sleeveless tops, shoulder-less shirts, spaghetti straps, tank tops, halter-tops, or clothing that bares the midriff.
- Pajamas, or clothing resembling pajamas (in particular, pajama bottoms) is not appropriate school attire
- Students must wear shirts at all times
- Clothing expressing reference to drugs, alcohol, tobacco, violence, etc., is not considered appropriate.
- Clothing displaying sexually explicit suggestions, illustrations, words or innuendos is not appropriate
- Hats, sunglasses, or other head apparel (including hoods) are not permitted, unless approved by the administrator.
- Outdoor apparel (coats, vests and jackets) should be placed in the student's locker/cubby for the duration of the day. Students who consider the building to be cold should wear sweaters, sweatshirts, or an over shirt.
- Students must wear safe and appropriate footwear at all times. Household/bedroom slippers, heelies/wheelies, are not appropriate. In some grade levels, slip-on sandals, flip-flops, and similar shoes are not appropriate.
- Students must abide by the rules set forth in classes requiring special dress.

Students will not be permitted to go home to change. Attempts to secure appropriate clothing from home or borrow from the office will be made.

### **HEALTH STANDARDS**

**CLINIC PROCEDURES:** Students coming to the clinic will be assisted for minor illnesses, cuts, scratches, etc. The clinic is not intended to be a place for students to remain until they feel better. After being assisted, students are expected to return to class or go home if deemed necessary.

If a student becomes ill during the school day the student is to obtain a pass from his/her teacher and go directly to the clinic. Students will not be admitted to the clinic without a pass from the classroom teacher. Students need to sign the logbook in the clinic and notify a secretary in main office or the nurse of his/her arrival. Students leaving the building for illness reasons must make their initial call home through the Main Office not through a personal cell phone or classroom phones. A parent/guardian must be contacted by the office for permission before the student is released from school. Students must be signed out by their parent/guardian before they leave school.

**SCHOOL FORMS:** It is required that parents fill out all School Forms on Parent OneView Access. You can find this on the Mad River Local Schools Website under Quick Links. In the event a student becomes ill or injured, the information on these forms will allow us to provide appropriate medical treatment.

**MEDICINE:** It is the policy of the Mad River Local Schools that all students' medication be administered by a parent at home whenever possible. Under certain circumstances, medication may be administered at school. Ohio state law mandates that no medication, either non-prescription or prescribed by a physician for a student, be administered to that student unless the following occurs:

1. The school administrator receives a **completed Parent Request & Authorization to Administer**

**Medication form signed by the prescribing physician and the parent** (a separate form for each medication).

2. The parent or guardian submits additional Medication Request forms in the event conditions or the prescription changes. (Physician must sign new form)
3. The school official authorized to administer the medication receives the medication in the **original container or bottle in which it was dispensed. (Student's name, prescriber, date, dosage and instructions, and name of medication).**
4. **This policy is enforced for all over-the-counter medications**, including but not limited to: Tylenol, aspirin, cough syrups, cough drops, cold tablets, pain pills, eye drops, creams, etc.

If a student does not report to the office to take the medication at the proper time, the staff member responsible for administering the medication shall attempt to locate the student and administer the medication and to then notify the parents of the importance of the child reporting on time for his/her medication, if this occurs regularly.

A log for each prescribed medication shall be maintained that records the personnel giving the medication, the date, and the time of day.

**PEDICULOSIS (Head Lice):** Checks for head lice will be done on an individual basis as necessary. In the event there is evidence of active head lice, the student's parent or guardian will be notified. If a child in the District is found to have lice, the child's parent will be contacted to have the child treated. After treatment and upon returning to school, the child will be examined by the school health staff or principal. The District practices a policy of "no live lice".

The principal or his/her designee will examine a student's hair for lice, as necessary.

**CIMEX LECTULARIUS (Bed Bugs):** In the event there is evidence of an identified bed bug on a student or in a classroom, MRLS district will respond in a prompt and appropriate manner following the recommendation of Public Health – Dayton & Montgomery County.

Although bed bugs are becoming a common problem that impacts our lives, bed bugs are not known to transmit disease. Bed bugs are not associated with uncleanness, and can affect anyone without regard to sex, race, or economic status. It is important that each student be treated with dignity, discretion, and with respect. The student does not need to be removed from the classroom or excluded from school. (Excerpt from *School Facilities Guidelines for Handling Bed Bugs in Montgomery County Public Health* – Dayton & Montgomery County.

### **GENERAL INFORMATION**

**BOOK/GYM BAG POLICY:** Students are not permitted to carry book bags or duffel bags during the school day. Book bags are to be used for the transporting of books and school supplies to and from school. Students are to leave their book bags in their locker/cubby after arriving to school. Book bags are not to be taken to the classroom. Students need to plan their daily routine to allow for reasonable visits to their lockers. (Coats include but aren't limited to: jackets, windbreakers, bubble vests, sweat suit tops).

**CHANGE OF ADDRESS AND/OR TELEPHONE:** If at any time during the school year a change occurs in your home or business address or telephone number, please call the main office immediately. Up-to-date records are essential to handling emergency situations and transportation issues.

**ELEVATOR:** Spinning Hills has an elevator which may be used by handicapped students or those who temporarily

cannot climb stairs. If there is a need to use the elevator, permission must be secured from Student Services. In order for a student to obtain permission to ride the elevator, we will require a note from a physician authorizing him/her to do so.

**EMERGENCY CLOSING OF SCHOOL:** Announcements will be made over the Dayton radio and television stations regarding **Mad River Local Schools of MONTGOMERY COUNTY**. We are **NOT** **Riverside Local Schools**. We will also notify you by sending a Blackboard message. Please do not call the school.

**HALL PASSES:** Students are not permitted in the halls during class periods unless they are accompanied by a teacher or have a hall pass from an authorized staff member.

**LIBRARY:** The library is open from 9:05 A.M. to 3:45 P.M. each day. Students are welcome to visit the library with their class or by obtaining a pass from his/her teacher.

1. Students are expected to follow school expectations when in library.
2. Students are able to checkout two items.
3. Students may reserve a book by making a request at the circulation desk.
4. All materials are checked out for two weeks.
5. Students with overdue materials must clear their account before checking out any new materials.
6. Any book lost or damaged will be the responsibility of the student/parent.

**LOCKERS/CUBBIES:** Each student is assigned a locker or cubby in which to store books, coats, book bags, and school supplies. Students will receive this locker/cubby assignment from their classroom teacher. Each student is responsible to keep the assigned area clean, locked, and orderly at all times.

**Students are not to share lockers or cubbies.**

Lockers and cubbies are the property of the Board of Education and made available to students for their use. Should a student forget locker combination, contact their homeroom teacher or the main office.

**LOST AND FOUND:** The lost and found is located in the hallway outside the gym. Lost clothing will be found in this area. Lost jewelry and other valuables will be returned to the main office. Lost clothing is only kept through the quarter – clothing not picked up is donated to local charities at the end of the quarter.

**LUNCH:** Mad River Local Schools has a closed lunch policy. No deliveries of commercial food are permitted and no visitors are allowed.

Lunch period is from 11:30 P.M. to 1:00 P.M. Students can either buy a lunch or bring a sack lunch.

LUNCH PRICES

Plate lunch..... \$ 2.35

Milk a la Carte..... .50 cents

Other items such as cookies, pickles, drinks, chips, etc are sold a la carte.

**LUNCH CHARGES:**

It is the responsibility of the parents to provide for lunch for their children while at school. However, it is important to provide that children receive the nutrition they need to stay focused during the school day. This procedure shall apply in the event that a child neither has a lunch nor the funds to purchase a lunch.

A student (Grades K-6) may only charge up to three (3) meals in succession. Once the charges have been satisfied, the student may again charge up to three (3) meals in succession a second time following the same process. After a student charges one (1) time, a notification will be sent to the parent or

guardian about the student charging a lunch. This will eliminate any surprises on the child's part and provide the parent with two (2) more opportunities to pay the student's charge balance. An alternative meal of peanut butter and jelly will be offered to those students who are delinquent on their account.

**PROHIBITED ITEMS:** Students are not permitted to use any electronic devices during the school day. Items include, but are not limited to: radios, MP3/I-Pod/Music Devices, cell phones, wireless communication devices, tape recorders, cameras, and/or hand held video games. Other prohibited items include skateboards/scooters, toys, chains, balloons, flowers, stuffed animals, face glitter, candy, gum, food, drinks, resealable drink bottles, snacks, facial paint, bandanas, laser pens, etc. to school without receiving prior administrative/staff approval. Such items will be confiscated and turned in to the office of the principal or asst. principal.

**PUBLIC DISPLAY OF AFFECTION:** Students who become overly amorous present an embarrassing appearance to those around them. School is definitely not the place for public display of affection. Students not able to set reasonable limits on their behavior will be creating a situation which will be embarrassing to them and others and will be subject to disciplinary action.

**SEARCH AND SEIZURE:** Search of a student and his/her possessions, including lockers/cubbies, may be conducted at any time the student is under the jurisdiction of the Board of Education, if there is a reasonable suspicion that the student is in violation of school rules. A search may also be conducted to protect the safety of others. Failure to comply with a reasonable search will be considered insubordination.

**TELEPHONES:** No personal phone calls may be made on school phones. Our office personnel will place emergency

calls. Students will not be called to the phone during the school day. Emergency messages from a parent or guardian will be taken in the office.

**STUDENT EXTRA CURRICULAR ACTIVITIES:**

**TEXTBOOKS:** Students are issued textbooks and are expected to take care of them. In cases where a book is defaced or lost, charges will be made to the student's account to cover the cost of damage or replacement. **PLEASE COVER ALL BOOKS TO PREVENT DAMAGE.**

**SCHOOL VISITORS:**

The Board of Education welcomes and encourages visits to school by parents, other adult residents of the community and interested educators. But in order for the educational program to continue undisturbed when visitors are present and to prevent the intrusion of disruptive persons into the schools, it is necessary to invoke visitor controls.

The Superintendent or principal has the authority to prohibit the entry of any person to a school of this District or to expel any person when there is reason to believe the presence of such person would be detrimental to the good order of the school. If such an individual refuses to leave the school grounds or creates a disturbance, the principal is authorized to request from the local law enforcement agency whatever assistance is required to remove the individual.

In order to protect the educational programs of the schools from undue disturbance, each principal shall establish rules and procedures for visitors which shall include the following:

- A. Persons wishing to visit one (1) or more schools are to make arrangements in advance through the school office of each school to be visited.

- B. Every visitor to a school must register at the school office. Sign-in lists showing name, time, person visiting, and time departing shall be maintained by the office. Any person who does not register with the school office is on school property illegally and should be asked to identify himself/herself properly or to leave the school grounds. If the visitor refuses to leave the school grounds or creates any disturbance, the building principal should request aid from Central Office/local law enforcement.
- C. Students may not bring guests to school unless permission to do so has been granted by the building principal.
- D. No staff member is to transact business with a visitor who does not have visitor's pass.
- E. Parents, other than those who have been asked by a teacher to be in the classroom, who wish to observe learning activities taking place in their child's classroom are to confer, in advance, with the principal and the teacher and state the purpose of the visitation.

It is important that each parent understands that because classroom visitations can be distractive to the students, the following guidelines have been established:

- 1. Visitations will not be allowed during examinations and independent study periods.
- 2. Parents are to be silent observers and are not to create any type of disturbance or disruption to the learning process.
- 3. Copies of instructional materials being used by the students or teacher may not always be immediately available during the visitation.

- 4. Any comments made by individual students are to be maintained in confidence by the visitor to the activity.

- F. Use of audio or visual equipment to record classroom activities must be approved by the principal and the teacher. No visitor shall be allowed to videotape students in the classroom as it violates the privacy rights of students unrelated to the visitor. Recording of other school activities will be in accord with AG 9160 - Attendance at Public Events.
- G. If a parent or other visitor wishes to tape record a conversation or meeting with a teacher or the principal, s/he should request permission from the teacher or principal. If the teacher or principal wishes to record a conversation with a parent or other visitor, s/he is to inform that person that the conversation is being recorded before the conversation begins. Federal law allows a parent to record an I.E.P. and, if the parent does record, the District should record the conference also.

If a disabled person should visit a school and request accommodation and s/he has not submitted the Request for Accommodation Form 9160A F1, in advance, the principal should ask the person to allow the school adequate time to arrange for the accommodation, providing such accommodation is reasonable (see AG 9160A).

#### **EXCESSIVE ABSENCES:**

When a student of compulsory school age is absent from school with or without legitimate excuse for thirty-eight (38) or more hours in one school month, or sixty-five (65) or more hours in a school year, the attendance officer shall notify the child's parent or guardian of the child's absences, in writing, within seven (7) school days after the date of the absence that triggered the notice requirement. At the same time written notice is given, any appropriate intervention action listed herein may be taken.

## **ABSENCES:**

When a student is absent from school, the law requires that the school verify the reason for the absence. Following is the attendance procedure at Spinning Hills Middle School to report the absence and reason for the student not being in school.

### 1. When a student is absent from school:

- a. **Parents are requested to call the school between 8:00 A.M. and 9:30 A.M.** on the day(s) which the student is absent, to report the absence and reason for the student not being in school.
- b. If phone contact is not established, the parental/legal guardian should submit a written excuse to school officials upon student's return to school. The written excuse must state the reason and the date(s) of the absence. This note is to be given to the main office.
- c. Failure to comply with a or b above may result in the absence being considered unexcused. Further disciplinary actions may apply.
- d. Written excuses may be requested in addition to phone contacts at the discretion of the building administration.
- e. A doctor's note is required when a student is absent three or more consecutive days.

### 2. Excuses for absence from school:

- a. The explanation of each absence shall be made by the parent or guardian to the building administrator who will determine if the absence is excused or unexcused.

#### (1) Excused absences, including, but not limited to:

- (a) illness
- (b) serious illness or death in the immediate family
- (c) emergency medical or dental attention
- (d) absences approved in advance by school principal

(e) authorized religious holidays

(f) approved school and instructional program activities

**\*\*Please give office 24 hours to get absent work together after third day of absence.**

#### (2) Unexcused absences, including, but not limited to:

- (a) truancy
- (b) suspension
- (c) missing the school bus
- (d) trips **not** approved in advance
- (e) shopping
- (f) hunting, fishing, attendance at games
- (g) birthday or other celebrations
- (h) gainful employment

### 3. Absences due to a school threat will be marked as unexcused unless it cannot be determined that the threat is not credible for the specific building involved

### 4. Religious Expression Days:

- a. The Principal will approve up to three (3) religious expression days per school year after receiving a written request from the student's parent or guardian. Religious expression days may be used to take holidays for reasons of faith or religious or spiritual belief system or participate in organized activities conducted under the auspices of a religious denomination, church, or other religious or spiritual organization. Students who are absent on approved religious expression days will not face any academic penalties and will be provided with academic accommodations with regard to examinations and other academic requirements that are missed.

- b. To receive accommodations for religious expression days, parents or guardians must submit written requests to the Principal within fourteen (14) days after the start of the school year or fourteen (14) days after a student is enrolled in the District. The requests must specify the religious expression day(s) to be approved.

**TARDINESS TO SCHOOL:** Any student who arrives after the designated starting time of 8:55 A.M. must report to the main office to sign in and receive a tardy slip.

- 1. A tardiness to school will only be considered excused if the lateness in arriving is a result of:
  - a. medical appointments
  - b. illness
  - c. unavoidable circumstances
  - d. emergency medical or dental attention

IMPORTANT: Parental verification by telephone or in writing is necessary.

**Three unexcused tardies per quarter will be allowed. The fourth unexcused tardy to school will result in disciplinary action.**

**REQUEST FOR EARLY RELEASE DUE TO TRANSFER:**

Parents or legal guardians who are requesting early release of their children due to transfer should complete a Request for Early Release Due to Transfer form. Approval of this request by the principal would permit the student(s) to complete the requirements of his/her studies prior to the end of school. A student must have been in attendance 70% of the current grading period for grades K-8.

**VACATION ON SCHOOL TIME:** School attendance is important to the academic success of students. Therefore, the school seeks parent support and requests that family vacations

be scheduled when school is not in session. When it is necessary, due to extenuating circumstances, to take a family vacation when school is in session, the following guidelines apply:

- a. Submit a written notification to the building administrator that states that your child will not be in attendance due to a family vacation for a specified amount of time. This must be submitted one week prior to the student's absence.
- b. Request in writing assignments and/or review work from the teacher. Make-up work is the responsibility of the student and must be completed in a timely manner.

**Absence of more than five school days for grades K-8 or three days for grades 9-12 may be considered excessive and unexcused.**

**WITHDRAWAL PROCEDURES:** If it becomes necessary to withdraw a student from Spinning Hills Middle School due to a change of residence, a parent/guardian must come in to the office and sign a Withdrawal Form. The student will come to the office on his or her last day to pick up the form which is to be carried to teachers for grades and signatures. All books and borrowed materials must be returned and all school fees paid before records will be sent to the student's new school.

**Equal Education Opportunity**

The District provides an equal educational opportunity for all students. Any person who believes that s/he has been discriminated against on the basis of his/her race, color, disability, religion, gender, or national origin while at school or a school activity should immediately contact the School District Compliance Officer (s):

Director of Student Services	937-259-6603
Director of Human Resources	937-259-6602

Any student making a complaint or participating in a school investigation will be protected from retaliation. The Compliance Officer(s) can provide additional information concerning equal access to educational opportunity.

### **STUDENT BEHAVIOR**

It is our goal to approach student behavior as a learning process. When students meet behavior expectations, we have a healthier learning environment. Every student has the right to learn and every teacher has the right to teach. No student has the right to disrupt the learning or safety of others. The approach in individual classrooms may vary to best meet the needs of children and teachers, but the goal is the same: maintaining a positive environment where children can reach their fullest intellectual, social, and emotional potential.

**PROCEDURES FOR ASSEMBLIES:** Walk to the gym with your teacher. Sit together as assigned. Students behaving inappropriately will be removed from the assembly and could lose their right for future attendance at assemblies. Removal from the assembly could result in further disciplinary action. You will be dismissed from the assemblies by sections and return to your classroom with your teacher.

**PROCEDURES FOR FIRE DRILLS, TORNADO DRILLS, AND BUILDING LOCKDOWN:** In the event of a building lockdown, staff and students will immediately exit the building if they can do so safely. If unable, staff and students will secure in a safe place and students are to follow staff instructions.

### **PROCEDURES FOR ARRIVAL:**

**The doors will remain locked until 8:35 A.M.**

**All walkers and car riders will wait outside until 8:35. The waiting area is in front of the building.** At 8:35 these

students will enter through the main doors and will go to homeroom.

### **Bus riders**

At 8:35 these students will enter through the doors closest to the steps leading from the bus lot and will proceed directly to homeroom.

### **PROCEDURES FOR BOARDING AND RIDING THE BUS:**

**Remember that riding the bus is a privilege.** Please walk to your bus as soon as school is dismissed. Please sit in your assigned seat and follow the transportation rules. **Students cannot ride another bus unless they have a note from home. Note approvals must be brought to the main office to receive a bus pass. Students will not be permitted to ride another bus without a pass from the office. Notes can be handwritten, faxed, or emailed and must be signed by a parent. We will not accept phone calls.** It is recommended that notes be submitted upon the student arriving to school. Students cannot travel in a car unless you are with your parents or you have prior administrative permission. If you or your parents have a bus question, please call the Transportation Department at 237-4280.

### **GRADING**

**GRADING SYSTEM:** Our school year consists of four quarters. Each quarter is approximately nine weeks in length, and students receive grades in their subjects at the end of each quarter. Grades are influenced by the following factors:

1. tests and quizzes
2. homework
3. reports
4. projects
5. labs
6. demonstrations
7. participation
  - a. attendance

- b. punctuality
- c. class participation

Students receive letter grades (A,B,C,D,F) on their report cards, and these letter grades are determined through the use of percentages.

#### THE GRADING SCALE IS AS FOLLOWS:

A	93-100	C	73-76
A-	90- 92	C-	70-72
B+	87- 89	D+	67-69
B	83- 86	D	63-66
B-	80- 82	D-	60-62
C +	77-79	F	0-59

At the conclusion of each quarter, all grades are converted to this scale and letter grades are determined. NOTE: Report cards are issued to the student at school usually 7-10 days after the quarter has ended. The only exception to this is at the end of the school year when report cards are mailed to parents. **Student fees must be paid before report cards are mailed home.** Progress reports are sent home with students mid-way through each respective quarter. It is the responsibility of the student to bring their progress report home. Students will be promoted, assigned, or retained. Please refer to Board Policy 5410 for these guidelines.

#### STUDENT CODE OF CONDUCT

We believe that students learn best in an atmosphere of mutual acceptance and trust. The best discipline is self-acquired and not imposed. Freedom and self-direction are achieved gradually and as students learn to substitute self-imposed controls of behavior for adult-imposed controls.

Our ultimate goal is to help students see that rules and regulations are necessary and, when applied, shall be

reasonable and appropriate to the nature of the behavior and in accordance with the holdings of Ohio courts of law.

Harassment, intimidation, or bullying behavior by any student in the Mad River Local School District is strictly prohibited, and such conduct may result in disciplinary action, including suspension and/or expulsion from school. "Harassment, intimidation, or bullying", in accordance with R.C. 3313.666 means any intentional written, verbal, graphic, or physical act including electronically transmitted acts i.e., Internet, cell phone, personal digital assistant (PDA), or wireless handheld device, either overt or covert, by a student or group of students toward other students including violence within a dating relationship, with the intent to harass, intimidate, injure, threaten, ridicule, or humiliate. Such behaviors are prohibited on or immediately adjacent to school grounds, at any school-sponsored activity, on school provided transportation, or at any official school bus stop that a reasonable person under the circumstances should know will have the effect of:

- A. Causing mental or physical harm to the other students including placing an individual in reasonable fear of physical harm and/or damaging of students' personal property: and,
- B. Is sufficiently severe, persistent, or pervasive that it creates an intimidating, threatening, or abusive educational environment for the other students.

#### STUDENT DISCIPLINE

The Student Code of Conduct, adopted by the Board of Education as required by Ohio Law, sets forth a student discipline code, which outlines the conduct for which a student may be removed from a curricular or extra-curricular activity, be suspended, or expelled from school.

### **EQUAL OPPORTUNITY**

In maintaining the student's right to equal educational opportunity, it is reasonable and necessary to maintain order in our schools. A student may forfeit his/her right to educational opportunities when his/her conduct is such that it disrupts the educational process, deprives others their basic rights, or violates rules as stated in the student code of conduct.

### **BEHAVIOR EXPECTATIONS**

Students are expected to abide by the rules as stated in the Student Code of Conduct and/or Rules and Regulations adopted by the Board of Education.

### **TITLE IX SEXUAL HARASSAMENT**

The Board of Education does not discriminate on the basis of the Protected Classes of race, color, national origin, sex, disability, age (except as authorized by law), religion, military status, ancestry, or genetic information (collectively, "Protected Classes") in its educational programs or activities (Policy 2266).

### **ZERO TOLERANCE**

Students are expected to conduct themselves in a way that exhibits respect and consideration for the rights of others. Students of the District must conform to school regulations and accept directions from authorized school personnel. The Board has "zero tolerance" of violent, disruptive, harassing, intimidating, bullying, or any other inappropriate behavior by its students. A student who fails to comply with established school rules or with any reasonable request made by school personnel on school property and/or at school-related events is subject to approved student discipline regulations. Students are also subject to discipline, as outlined in the Student Code of Conduct for misbehavior that occurs off school property when the misbehavior endangers the health and safety of

students within the District or adversely affects the education process. The Superintendent/designee develops regulations which establish strategies ranging from prevention to intervention to address student misbehavior, and provides continuing instruction in dating violence prevention in health education courses in grades 9 through 12. Students and parents receive, at the beginning of each school year or upon enrolling in the District schools during the year, written information on the rules and regulations to which they are subject while in school or participating in any school-related activity or event. The information includes the types of conduct which are subject to suspension or expulsion from school or other forms of disciplinary action. The Board directs the administration to make all students aware of the Student Code of Conduct and the fact that any violations of the Student Code of Conduct are punishable. The rules also apply to any form of student misconduct directed at a District official or employee or the property of a District official or employee, regardless of where the misconduct occurs. If a student violates this policy or the Student Code of Conduct, school personnel, students or parents should report the student to the appropriate principal. The administration cooperates in any prosecution pursuant to the criminal laws of the state of Ohio and local ordinances. A student may be expelled for up to one year if he/she commits an act that inflicts serious physical harm to persons or property if it was committed at school, on other school property or at a school activity, event, or program. The Superintendent is authorized to expel a student from school for a period not to exceed one year for making a bomb threat to a school building, or to any premises at which a school activity is occurring at the time of the threat. Any expulsion under this provision extends, as necessary, into the school year following the school year in which the incident that gives rise to the expulsion takes place. Matters which might lead to a reduction of the expulsion period include the student's mental and/or physical characteristics or conditions, the age of the student and its relevance to the punishment, the prior disciplinary history of the student and/or the intent of the

perpetrator. The Student Code of Conduct is made available to students and parents and is posted in a central location within each building.

### **PROCEDURES**

The superintendent, principal, assistant principal, athletic director, and other administrative personnel may prohibit participation of a student from any particular extracurricular activity, or from all extracurricular activities, of the district (or one school of the district), due to the student's violation of: the Student Code of Conduct; the Extracurricular Standards set forth above; training rules; and/or the guidelines and rules of the particular activity involved. Before imposing such a suspension, the student shall be given:

- Written notice of the reasons to prohibit participation;
- An opportunity for an informal hearing to challenge the reason(s) or otherwise explain his/her actions.

If prohibited from participating, the student shall also be given written notice of the reasons and the duration of the nonparticipation. A copy of the notice of suspension should be sent to the parent (or guardian) within one school day after the decision.

To be prohibited from participation from an extracurricular activity means that the student will not be permitted to attend and/or participate in specific school extracurricular activities. The period of nonparticipation may be for a specific period of time and/or for the duration of the activity.

The coach/advisor for the extracurricular activity should be present for the hearing, although such person's presence is not required.

Per Board Policy, students prohibited from participation in all or part of any extracurricular activity are not entitled to further notice, hearing, or appeal rights.

#### **PUBLIC RECORDS POLICY SUMMARY**

1. The Board supports the right of the people to know about the programs and services of their schools and makes efforts to disseminate appropriate information.
2. Business of the Board is discussed and decisions are made at public meetings of the Board, except such matters to be discussed in private executive sessions.
3. The official minutes of the Board, its written policies, its financial records and all other public records are open for inspection in

the central office during regular business hours.

4. All record requests are made available within a reasonable time period. The District makes the requester aware of any information that is exempt from disclosure requirements by notifying the requester of any redacted information or by making redactions in a plainly visible manner. If a public records request is denied, the District provides an explanation with legal authority for the denial of the request.
5. A fee may be charged for copies and/or delivery. The District may require the fee charged for copies and/or delivery to be paid in advance.
6. The Board President, Superintendent, and Treasurer shall comprise the District's Records Commission. The Commission will meet at least once annually to judge the advisability of destroying District Records.
7. The Superintendent designates a "Records Officer" for the District who is responsible for all aspects of records retention/disposal.

#### **STUDENTS WITH DISABILITIES**

The American's with Disabilities Act (A.D.A.) and Section 504 of the Rehabilitation Act (Section 504) prohibit discrimination against persons with a disability in any program receiving Federal financial assistance. This protection applied not just to students, but to all individuals who have access to the District's programs and facilities.

The laws define a person with a disability as anyone who:

- A. Has a mental or physical impairment that substantially limits one or more major life activities;
- B. Has a record of such impairment; or
- C. Is regarded as having such an impairment.

The District has specific responsibilities under these two laws, which include identifying, reviewing and, if the child is determined to be eligible, affording access to appropriate educational accommodation.

Additionally, in accordance with State and Federal mandates, the District seeks out, assesses and appropriately services students with disabilities. Staff members use a comprehensive child study process to systematically screen, assess and, if appropriate, place students in special education and related services. Students are entitled to a free appropriate public education in the “least restrictive environment.”

A student can access special education and related services through the proper evaluation procedures. Parent involvement in this procedure is important and required by Federal (IDEIA), A.D.A. (Section 504) and State law. Contact the Board of Education Office at 259-6603 to inquire about evaluation procedures, programs, and services.

### **Homeless Students**

Homeless students will be provided with a free and appropriate public education in the same manner as other students served by the District. Homeless students are eligible to receive transportation services, participate in education programs for students with disabilities or limited English proficiency, participate in gifted and talented programs, and receive meals under school nutrition programs. Homeless students will not be denied enrollment based on lack of proof of residence. For additional

information contact the liaison for Homeless Students at the Board of Education Office.

### **TRANSMISSION OF RECORDS**

Parents/Guardians have to complete and return to the District Form 8330 F4a in order to authorize the staff to communicate with the parent/guardian via facsimile and/or electronic mail (“email”). Parents who elect to communicate with a staff member via e-mail are required to keep the District informed of any changes to their e-mail address.

### **PROTECTION AND PRIVACY OF STUDENT RECORDS**

The school district maintains many student records including both directory information and confidential information.

Directory information can be provided upon request to any individual other than a for-profit organization, even without the written consent of a parent. Parents may refuse to allow the Board to disclose any or all “directory information” upon written notification to the Board. For further information about the items included within the category of directory information and instructions on how to prohibit its release you may consult the Board’s annual Family Education Rights and Privacy Act (FERPA) notice. **Board Policy 8330**

Other than directory information, access to all other student records is protected by FERPA and Ohio law. Except in limited circumstances as specifically defined in State and Federal law, the School District is prohibited from releasing confidential education records to any outside individuals or organization without the prior written consent of the parents, or adult student, as well as those individuals who have matriculated and entered postsecondary educational institution at any age. The Board will provide access or release directory information to armed forces recruiters unless the parent or student request that prior written consent be obtained.

Confidential records include test scores, psychological reports, behavioral data, disciplinary records, and communications with family and outside service providers.

Students and parents have the right to review and receive copies of all educational records. Costs for copies of records may be charged to the parent. To review student records, please provide a written notice identifying requested student records to the Student Services Secretary. You will be given an appointment with the appropriate person to answer any questions and to review the requested student records.

Parents and adult students have the right to amend a student record when they believe that any of the information contained in the record is inaccurate, misleading, or violates the student's privacy. A parent or adult student must request the amendment of a student record in writing and if the request is denied, the parent or adult student will be informed of his/her right to a hearing on the matter.

Consistent with the Protection of Pupil Rights Amendment (PPRA), no student shall be required, as a part of the school program or the District's curriculum, without prior written consent of the student (if an adult, or an emancipated minor) or, if an unemancipated minor, his/her parents, to submit to or participate in any survey, analysis, or evaluation that reveals information concerning:

- A. political affiliations or beliefs of the student or student's parents;
- B. Mental or psychological problems of the students or the student's family;
- C. Sex behavior or attitudes;
- D. Illegal, anti-social, self-incriminating or demeaning behavior;
- E. Critical appraisals of other individuals with whom respondents have close family relationships;

- F. Legally recognized privileged and analogous relationships, such as those of lawyers, physicians, and ministers;
- G. Religious practices, affiliations, or beliefs of the students or his/her parents; or
- H. Income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such a program).

Consistent with a PPRA and Board policy, parents may inspect any materials used in conjunction with any such survey, analysis, or evaluation. Please contact the Board of Education to inspect such materials.

Further, parents have the right to inspect, upon request, a survey or evaluation created by a third party before the survey/evaluation is administered or distributed by the school to the student. The parent will have access to the survey/evaluation within a reasonable period of time after the request is received by the principal.

The Superintendent will notify parents of students in the District, at least annually at the beginning of the school year, of the specific or approximate dates during the school year when the following activities are scheduled or expected to be scheduled:

- A. activities involving the collection, disclosure, or use of personal information collected from students for the purpose of marketing or for selling that information or otherwise providing that information to others for that purpose); and
- B. the administration of any survey by a third party that contains one or more of the items described in A through H above.

The Family Policy Compliance Office in the U.S. Department of Education administers both FERPA and PPRA. Parents

and/or eligible students who believe their rights have been  
violated may file a complaint with:
