**Grade 7: 1 dose of Meningococcal**  
**Grade 12: 2 doses of Meningococcal** (1 dose if give at age 16 or older)

If immunizations are not up-to-date, or in process\* by the 15<sup>th</sup> day of school, you must keep your child home until immunizations are current. (Per the Ohio Dept. of Health)

\*In Process "means that the students have all the vaccines they can get at this time, but are not complete. They must wait the minimum interval before they get additional doses."
