

2021

WELCOME BACK TO SCHOOL!

2021-2022 DISTRICT CALENDAR

YOUR KIDS DESERVE
THE BEST EDUCATION

MAD RIVER

DEAR RESIDENTS...

Welcome to the start of the 2021-2022 school year! I hope everyone had an enjoyable and safe summer break. On behalf of the Board of Education, building principals, and our teachers and staff, we want to welcome you back for another great school year. For some of you, it has been over a year since I last saw you. I have missed seeing everyone's smiling faces in the hallways of the schools and lively conversation in the classrooms and beyond. As we get ready to return to 100% in-person learning, I am looking forward to getting back to a normal routine, a fresh beginning, and a year full of new opportunities for students.

I want to assure you that we have spent several months planning for everyone's return and establishing safety and health guidelines to ensure the best possible experience for you while we are still in the midst of COVID-19. We will do whatever we need to support each other to identify what works and improve what doesn't. We recognize how challenging the transition back to school might be for many, and we want to make sure that our students and staff feel welcome and embraced. There will be time spent on education around health and safety guidelines, daily routines, and we will have many conversations around social-emotional wellbeing. We want to know how our students and staff are doing and about anything else that will help us provide the best environment for them. We care deeply about all members of our school community and are committed to ensuring their wellbeing. I also encourage everyone to go online to our COVID-19 page or read our ARP ESSER Local Recovery and Extended Learning Plan for 2021-2023 inside this calendar. The plan will give you guidance and the most updated and reliable information on efforts to combat COVID-19 in our school buildings.

Finally, I want to take a moment to welcome our new faculty and staff members and thank our school staff that has worked diligently throughout the summer to make sure our schools were ready for the start of the school year. Our District continues to thrive because of the unwavering commitment from our employees. We are eager to move forward on our path toward a successful school year.

I'm looking forward to a successful year ahead. Let's make it a great one!

Chad Weyer

SCHOOL DELAYS

WE ATTEMPT TO ANNOUNCE DELAYS OR CLOSURES AS EARLY AS POSSIBLE. ASSUME THAT SCHOOLS ARE RUNNING ON TIME IF THERE IS NO NOTICE OF DELAY OR CANCELLATION ON THE DISTRICT'S WEBSITE. EVERY WEATHER INCIDENT IS DIFFERENT, AND THE DISTRICT MAY DEViate FROM THESE PROCEDURES IF NECESSARY.

2-HOUR DELAY

- THE DISTRICT MAY CHANGE A 2-HOUR DELAY TO A CANCELLATION IF WEATHER CONDITIONS WORSEN AFTER THE INITIAL ANNOUNCEMENT. IF CHANGED, WE WILL NOTIFY FAMILIES AS SOON AS POSSIBLE.
- SCHOOL BUSES WILL BEGIN PICKING UP STUDENTS TWO HOURS LATER THAN REGULARLY SCHEDULED.
- IF THERE IS A 2-HOUR DELAY, THERE WILL BE NO MORNING PRESCHOOL. AFTERNOON CLASSES WILL BEGIN AT THE REGULAR TIME

WINTER *Weather* GUIDELINES

School Delays and Closings

The Mad River School District's administration takes a team approach when making decisions about school delays and closures. That decision is based on safety first, using the best information available at the time the decision must be made.

Input from the District's Transportation Department is received after we have driven various roadways in the school district firsthand. This procedure normally begins at 4:30 a.m. so that a decision can be made if a delay or cancellation seems warranted. The final decision is generally reached around 6:00 a.m. to inform the media and affected District personnel.

As a reminder, updates will also be posted on our mobile app, social media pages, and local news broadcasts. **Please make sure your phone numbers are up-to-date at your child's school so that our phone notification system will notify you of a delay or cancellation.**

School delays or cancellations due to dangerously cold weather will be based on the current weather forecasts which take into consideration temperatures and wind chill factors. As a guide, if the wind chill is minus 10 degrees or colder, a delay may be scheduled. If the forecast calls for brutal temperatures

not to significantly improve, then Mad River would likely cancel classes for the day. The concern is about potential hypothermia, and skin exposure for the children who walk or wait at bus stops.

Acknowledging the challenges we may face this winter due to inclement weather, we will continue to work together to ensure all precautions are taken to keep our students safe. As always, students should dress warmly for the commute to and from school.

Make-Up Days

Ohio law requires schools to be in session for a specific number of *hours*. Previously, the requirement called for a specific number of *days*, and Ohio law allowed up to only five calamity days before schools had to initiate make-up days. Mad River builds in more than the minimum number of required hours into each year's school calendar, so the District has a substantial built-in reserve to accommodate multiple delays or closures this school year if needed.

As a reminder, parents are urged not to schedule vacation immediately following the days after school lets out for summer break. Should any Mad River school fall below the required minimum hours due to unscheduled school

closings or delays, additional hours/days will be added on to the end of the school year.

Scheduled activities may be canceled when the District is closed due to inclement weather. Cancellations will be made with as much warning as possible. Weather closings on Fridays may cause weekend cancellations.

Activities: Even if school is closed, some after-school or evening activities may be held as planned because conditions that were bad in the morning may have improved by the

afternoon or evening. The closing of school does not automatically mean all after-school and evening activities are also canceled. It is handled on a case-by-case basis.

Other districts: Mad River does not base decisions on what other districts do. Road conditions can be very different even in nearby districts, based on terrain, snow removal capacity, miles of roadway to clear, etc. Frequently, districts in the same general area make different decisions.

ARP ESSER Local Recovery and Extended Learning Plan 2021-2023: Mad River Local Schools

Mad River Local Schools will be in full session, five days a week, beginning September 7, 2021, which is the first day for the 2021-22 school year. The following are required elements of our local recovery plan that will be implemented to provide a safe and healthy learning environment for the students attending Mad River.

Required elements and mitigation strategies:

○ Universal and correct wearing of masks:

- In alignment with Ohio's most recent health orders, beginning June 2, Individual school districts will decide whether or not to continue masking and social distancing in school settings. *Mad River Local Schools will no longer require masks to be worn by staff or students in the district. Mask wearing will be optional and masks will be made available to those who choose to continue to wear masks. Proper mask wearing will be modeled by school employees for those who choose to continue to wear masks.*

○ Physical distancing (e.g., including use of cohorts/podding);

- In alignment with Ohio's most recent health orders, beginning June 2, Individual school districts will decide whether or not to continue masking and social distancing in school settings. *Mad River Local Schools will keep intentional distance between and among students during school hours to the fullest extent possible*

○ Handwashing and respiratory etiquette;

- *School employees will continue to model safe and healthy handwashing,*

physical distancing, and cough and sneeze etiquette for students. This includes:

- Modeling handwashing for at least 20 seconds using soap and water, rinsing hands well and drying hands
- Making available alcohol-based (60%) hand sanitizer in building entryways, hallways, cafeterias, classrooms and on busses
- Physical distancing to the fullest extent possible
- Modeling covering your mouth and nose with a tissue when you cough or sneeze. Throw used tissues in the trash.

○ Cleaning and maintaining healthy facilities, including improving ventilation;

- Continue to utilize highly engineered sanitizing processes that will include, but are not limited to, high touch surface areas and frequently traveled areas
- Continue to evaluate building operations, including, but not limited to, flow of traffic in the building, use of classrooms/cafeterias/restrooms/etc., operational times, visitor procedures, etc.
- Maintain a frequent schedule of air filter changes for the HVAC systems located in each building

○ Contact tracing in combination with isolation and quarantine, in collaboration with the state, local, territorial or tribal health departments;

- Beginning June 2, 2021, and in accordance with CDC guidance, vaccinated staff and children do not have to quarantine or be tested if they are exposed to COVID-19. Unvaccinated staff and children who are exposed to

COVID-19 should quarantine if the exposure took place outside of a classroom setting where masks were required to be worn. Unvaccinated children should also isolate if they test positive for the coronavirus. Local health departments should determine if quarantine or isolation should occur.

○ Visitors;

- *There are different levels of school visitors, and each school will make decisions for each situation.*
- Visitors are generally discouraged from being in school district facilities except for extra-curricular events or activities.
- No visitors will be allowed during lunch.
- In-person meetings must be prearranged by invitation or appointment only.

○ Diagnostic and screening testing;

- The district does not engage in diagnostic and screening testing. All testing occurs with local health providers including, but not limited to, primary care physicians, urgent care, local pharmacies, local hospitals, and pop-up COVID testing sites.

○ Efforts to provide vaccinations to educators, other staff and students, if eligible;

- Staff vaccinations clinics were held in the school district on the following dates: 2/6/2021 and 2/27/2021. Additional vaccination clinic information was made available to staff who were not able to take the vaccine at the district clinic.

- Student vaccination clinics were held in the school district for student's age 16+ on the following dates: 4/28/2021 and 5/19/2021. Additional vaccination clinic information for students 12+ has been made available to families in the district.
- The district will continue to work with Montgomery County Public Health during the 2021-22 school year to promote available vaccination sites for eligible staff and students.

○ Appropriate accommodations for children with disabilities with respect to the health and safety policies.

- Accommodations for students with disabilities with respect to health and safety are outlined in each student's individual education plan (IEP).

○ Each LEA plan describes how it will ensure continuity of services including but not limited to services to address the students' academic needs, and students' and staff social, emotional, mental health and other needs, which may include student health and food services.

- The LEA's state required Learning Recovery Plan which addresses academic and social/emotional needs is located on the following district webpage: <https://www.maddriverschools.org/Domain/776>

Mad River Local Schools will periodically review our ARP ESSER Local Plan no less frequently than every six months for the duration of the ARP ESSER grant period (i.e., through September 30, 2023), and revises its plan as appropriate.
