

Finding Providers and Cost of Care:

In compliance with the Transparency in Coverage Rule, UnitedHealthcare creates and publishes the Machine-Readable Files on behalf of the EPC. Beginning July 1, 2022, UnitedHealthcare will publish the MRFs for the plans we administer and maintain. These files will be published on the [MyUHC.com](https://myuhc.com) website listed below and will be updated on the first day of each month.

As of July 1, 2022, to link to the Machine-Readable Files, please click on the URL provided: transparency-in-coverage.uhc.com. These are not user-friendly files.

These files follow the Centers for Medicare & Medicaid Services (CMS) defined layout and are in the CMS approved format (JSON) and are not meant for a consumer-friendly search of rates, benefits, or cost sharing. ***Please refer to the member resources available through [MyUHC.com](https://myuhc.com) for this information.*** Directions for finding pricing on the UHC.com site can be found at [EPCSchoools.org/Health & Benefits](https://EPCSchoools.org/Health%20&%20Benefits).
